ADA Small Business Rewards Card

Program Rules

Rewards Program
Participation in the ADA Visa® Business Rewards Card Program ("Program") is restricted to U.S. residents who are 18 years of age or older ("Cardmember", "you", and "your") and in whose name U.S. Bank National Association ("U.S. Bank", "we", "us" and "our") maintains an ADA Visa® Business Rewards Card Account (an "Account"). Travel, gift cards, merchandise and other benefits offered from time to time, are the "rewards" you may obtain by redeeming the Points you have earned in the Program. Additional terms and conditions for the Program can be found in the Cardmember Agreement provided to you when your Account was opened and the card was received. Program administrative services are provided third party vendors.

Earning Points
We will credit your Account with Points as follows.

- You will earn one (1) Point for every $1 in eligible Net Purchases each billing cycle. Net Purchases are purchases minus credits and returns.
- You will earn an additional one (1) Bonus Point, for a total of two (2) points, for every $1 in eligible Net Purchases for dental supply providers defined by Merchant Category Code "MCC" 5047, 8021 and 8701.
- You will earn an additional four (4) Bonus Points, for a total of five (5) points for every $1 in eligible Net Purchases for:
  - Purchases made through the ADA.org, state and endorsed partners. Refer to https://www.adamemberadvantage.com/en for current listing.
  - And prepaid HOTEL and CAR reservations made through the Rewards Travel Center

Merchants identify their business by selecting an MCC established by Visa. We do not determine the category codes that merchants choose and reserve the right to determine which Purchases qualify for Points, Bonus or Standard. A Purchase will not earn Points, neither Bonus nor Standard, if the merchant’s selected code is in a category that is not eligible for Points earning.

Your Account must be open and in good standing to earn and redeem rewards and benefits. Subject to credit availability, the number of Points that may accumulate in any monthly billing cycle for your Account is unlimited. “Net Purchases” for a statement period are determined by totaling all new purchases charged to the Account during the billing cycle, then subtracting credits posted to the Account during the billing cycle for returned Purchases and/or adjustments.

If credits during a statement period exceed Purchases, the credit balance will be carried over to the following billing cycles and offset against future Purchases charged to the Account for purposes of awarding Points. We may round Net Purchases up or down to a whole dollar amount for purposes of awarding Points. Points will not be awarded for any billing cycle if your Account is closed or is not current on the closing date for that billing cycle. Points will only be awarded for “Purchases” (as defined in the Cardmember Agreement) and will not be awarded for transactions posting as Convenience Checks, credit insurance premiums, Advances (as defined in the Cardmember Agreement, including wire transfers, traveler’s checks, money orders, foreign cash transactions, betting transactions, lottery tickets and ATM disbursements), Balance Transfers, INTEREST CHARGES and fees, transactions to fund certain prepaid card products, U.S. Mint purchases, or transactions to purchase cash convertible items. We reserve the right to adjust or reverse the number of Points that were awarded for unauthorized transactions. Further, this Account is intended to be used for the purchase of various
products and services for business purposes, and we have the right to adjust or reverse the number of Points that were awarded or terminate the Account if we determine that purchases or transactions were outside of such use, including, without limitation, excessive or patterned purchases of cash equivalent instruments, such as gift cards, rewards cards, and other prepaid cards.

You may not redeem Points, and you will immediately lose all of your Points, if your Account is closed to future transactions (including, but not limited to, due to Program misuse, fraudulent activities, failure to pay, bankruptcy, or death).

Please allow up to sixty (60) days after a Purchase for your Points, on that Purchase, to post to your Points balance. Your Point balance is available online in the Rewards Center. Your balance for the calendar year is reflected on your Account statement each month.

Points cannot be used as payment for obligations owed to U.S. Bank or its affiliates. Exception: Cardmembers can choose to redeem their earned Points for statement credit to be applied to their Account by accessing the Rewards Center. The statement credit will reduce the Account balance, but does not count as a payment and thus does not reduce the minimum payment due. There are no refunds, exchanges, replacements or conversions for currency, credit, other points or rewards for no-shows or unused portions or rewards, unless otherwise noted. Determination and payment of tax liability is the sole responsibility of the Cardmember.

Points will be pooled to one Points balance at the Business level. The individual, who executed the application for credit, will have the sole authority to redeem the pooled Points. If the Points balance changes from pooled to individual, any unredeemed Points will stay pooled and will not transfer to the individual Points balance.

Points Expiration
The amount of Points that may accumulate for your Account is unlimited. However, Points will expire at the end of the calendar quarter, at 11:00 p.m. Central Time, that is five (5) years from the date on which they were earned. Points are redeemed or expire on a first-in, first-out basis, so that the Points you earned are used first before later earned Points.

Contact Us
Except where stated otherwise in these Program Rules, you may generally redeem, and purchase Points, as described in this Program Rules, by:

- visiting the Rewards Center online, which is found by logging into Online Banking at www.adavisa.com.
- calling the Center at 888-229-8864 between 8:00 am and 10:00 pm (Central Time) Monday through Friday and 8:00 am to 5:30 pm (Central Time) Saturday and Sunday.

Please note, in some cases additional fees may apply for certain redemptions.

Purchasing Points
You can purchase additional Points to use for redeeming for rewards. The Points purchase will be charged to your Account. Each Point is priced at $.03, a minimum number of 500 Points per purchase is required and Points must be purchased in increments of 100. The maximum number of Points you may purchase in a calendar year is 25,000. Purchased Points are available immediately. You do not earn additional Points for purchasing Points. All Point purchase transactions are final and Points cannot be returned. Your Account must be in good standing to purchase Points. U.S. Bank reserves the right to change the price that is charged per Point.

Redeeming Points
Available Travel Rewards, Gift Card/Gift Certificate Rewards, Merchandise Rewards, Magazine Rewards, Event Ticket Rewards and any other Program Rewards as well as the number of Points needed to obtain each reward is available to
Cardmembers at the Rewards Center and by phone. U.S. Bank and/or third party vendors may change or terminate participating merchants, withdraw, limit, modify, or cancel any rewards, add an unlimited number of blackout dates, or increase the number of Points required for any reward at any time without advance notice, even though such changes may affect the accrual or value of Points or rewards. Minimum Point redemption levels may apply, vary by type of redemption, and are provided at the Rewards Center. Reward redemption is subject to availability based upon Cardmember’s Account mailing address. Also, in most cases, ship-to address must be a street address; APO/FPO/PO Box addresses may not be accepted.

You may redeem Points for rewards only if the outstanding balance of your Account is below the credit limit and if your Account is open and in good standing. We reserve the right to verify and adjust Points at any time before or after posting any redemption. Once you or we close your Account for any reason, all accumulated Points may be forfeited.

For redemptions, inquiries, and updates, Cardmembers may visit the Rewards Center online or call the Rewards Center. All Point redemptions are final.

Real-Time Rewards
With Real-Time Rewards, you may instantly redeem Points for your credit card Purchases via text messaging. The Points redemption comes in the form of a credit to your monthly billing statement. Points will be deducted from your Points balance and a credit for the Purchase amount will be applied to your Account billing statement when you request redemption. For transactions which include a gratuity, fees, or estimated taxes, the statement credit may not equal your final Purchase amount. Auto bill pay transactions will be part of Real-Time Rewards text messages if the Purchase falls within your preference selections. Real-Time Rewards text messages are available only for transactions with U.S. merchants. You may sign up for Real-Time Rewards using your 10-digit U.S. mobile number. Only one mobile number may be used per credit card account. After you complete a brief enrollment profile, you need to confirm your enrollment within 24 hours by replying ‘YES’ to a confirmation message that Real-Time Rewards will send you. If any changes are made to your Account that will affect the card number, account ownership or your rewards program, you will need to re-enroll in Real-Time Rewards. Message and data rates may apply. The short code REDEEM (733336) is used by Real-Time Rewards to send redemption requests. Message frequency is based upon the preferences you select and the Purchases you make on your Account. Text ‘HELP’ to REDEEM (733336) for Help. Text ‘STOP’ to REDEEM (733336) to cancel your participation in Real-Time Rewards. All cancellations completed via text message will remove that mobile number from all accounts registered for Real-Time Rewards. Please visit: https://rtr.myrewardsaccess.com for a full listing of the Mobile Terms and Conditions. For inquiries, to sign up to receive text alerts, to update your preferences or to cancel your enrollment, please visit the Rewards Center by logging into Online Banking at www.adavisa.com or call the Rewards Center at 888-229-8864.

You will not receive Real-Time Rewards text messages until you confirm your enrollment and preferences. You will receive a Real-Time Rewards request text message if your credit card Purchase falls within the criteria you have set up in your Real-Time Rewards preferences. Merchants who accept Visa cards are assigned a merchant code based on the kinds of products and services they sell. U.S. Bank does not control how Purchases are processed by merchants or the merchant codes they use; therefore, U.S. Bank cannot guarantee that a specific transaction will qualify. Your Account must remain in good standing in order to redeem. You may redeem by replying ‘REDEEM’ within 24 hours of when the
message was sent. You may only redeem the most recent Real-Time Rewards text message. Upon confirmation of a redemption request, Points will be deducted from your Points balance immediately, and a credit to your statement will be processed within three business days and will appear on your next billing statement. The Account statement credit for a Real-Time Rewards redemption will reduce the Account balance, but will not count toward the minimum payment due. All redemptions are final. If you return the item or service that you redeemed Points for to the merchant, the Points will not be reinstated, but you may receive a credit to your credit card account (in accordance with the merchant’s return policy).
